Hi John and Ken,

I should have forwarded these reports. They are considered CBI, so don't send them outside the Agency.

Also, Ken, when you have a chance, may you please let me know the screening depths of the PCB monitoring wells at the Facility in comparison to the screening depth of Madison's drinking water well.

Thank you,
 Jenny

Jenny,

I've attached Hoover's reports for the HQ in Madison, for two branches in Sun Prairie, which is nearby, and for a holdings company (single location) also in Madison. I've also attached the family tree.

If you still need a DNBI report for one/all of these, please let me know.

Karen

Hi Karen,

May you please send me the Dunn & Bradstreet (or whatever company we use) for Madison-Kipp in Madison, Wisconsin. If that isn't the headquarters, may you please send me the D&B for the headquarters, too.

Thank you,
Jenny
